Professional Summary

Full Stack Developer with expertise in building scalable web applications, RESTful APIs, authentication systems, and payment gateway integrations. Strong foundations in DBMS, OOP, and Operating Systems.

Technical Skills

Languages: C, C++, JavaScript
Frontend: React.js, Context API, Tailwind CSS, HTML5, CSS3
Backend: Node.js, Express.js, RESTful APIs, JWT Authentication
Databases: MySQL, MongoDB
Tools & Platforms: Git, GitHub, Postman, VS Code, MongoDB Compass, Vercel, Netlify
Core CS Concepts: Data Structures & Algorithms, OOP, DBMS, Operating Systems

Projects

E-Commerce Platform	<i>React, Node.js, Express, MongoDB</i>	2025 – Present
- Built a full-stack MERN e-commerce platform serving 50+ products with role-based authentication (JWT) for customers and administrators - Designed an admin dashboard for managing products, orders, and users through secure CRUD operations - Integrated cart, product search, and category-based filtering - Developed a customer profile module enabling users to manage personal information and up to five saved addresses, with automatic default-address selection during checkout		
Task Management Web App	<i>MongoDB, Express, React, Node.js, Tailwind CSS</i>	2025
- Developed a full-stack task management system with JWT-based authentication and personalized user dashboards - Implemented complete CRUD operations with task filtering by priority and status, improving task organization - Added profile management with image upload handling, enhancing personalization and user experience		
URL Shortener	<i>JavaScript, HTML, CSS</i>	2024
- Built a URL shortener interface to generate shortened links from long URLs - Implemented the core functionality using JavaScript with a clean and responsive user interface		

Achievements

- Solved 300+ Data Structures & Algorithms problems across LeetCode and GeeksforGeeks
- Achieved a maximum LeetCode contest rating of 1470

Education

B.Tech in Computer Science	82.55%
K.I.E.T Group of Institutions, Ghaziabad	2023 – 2027
Intermediate (CBSE)	73.2%
